

## *Barrel District Weekly Update*

COUNCILMEMBER

# BART TURNER

Glendale's Barrel District

August 19, 2016

Greetings!

***The 2016 ArenaBowl is coming to Glendale and YOU can see it for FREE!***

Two free tickets to see the **Arizona Rattlers** vs. the **Philadelphia Soul** in the **2016 ArenaBowl** on **Friday, August 26 at 4 p.m.** will be raffled off on Tuesday, August 23. If you are interested in attending the ArenaBowl in the **City's suite at Gila River Arena**, please email me no later than Tuesday, August 23, at 9 a.m. to be entered into the raffle. The winner will be selected at random and **must** be available to pick up the tickets at City Hall.

[BTurner@GlendaleAZ.com](mailto:BTurner@GlendaleAZ.com)

\*Winners must be Barrel District residents and at least 18 years of age\*

\*Winners must verify Glendale residency with a current utility bill\*

\*Previous 2016 winners are ineligible to participate and will re-qualify in 2017\*

\*Any applicable taxes and parking fees are the responsibility of the recipients\*

\*The names of the two recipients will be included in the suite usage form which is posted publicly on the city's website and retained as part of our public records\*

Have a safe and enjoyable weekend!

**Councilmember Bart Turner**

### City Announcements

**Glendale Pavement Management Program - Overlay CONSTRUCTION Information.** As part of Glendale's Pavement Management Program, the residential streets west of 55th Avenue to 57th Avenue; and south of Peoria Avenue to north of Mountain View Road, to include Cannon and Cochise Drives between 57th Avenue and 58th Avenue, are scheduled

### City Council Updates

Glendale's Planning Division held a neighborhood meeting on Wednesday, August 17 to gather community input regarding a possible Zoning Text Amendment that, as proposed, would permit the keeping of a limited number of contained hen chickens (no roosters) on residential properties within the city's single-family zoning districts, subject to the rules and regulations of a HOA, if present.

The input received at the neighborhood meeting will be presented at a Planning Commission workshop scheduled for September 1 at 6 p.m. in the Council Chambers. This is a briefing for the commission on the issue and therefore, while the public is welcome to attend, there is no opportunity for public comment and the Planning Commission cannot vote on the issue.

The next opportunity to provide comment is at the Planning Commission public meeting which is scheduled for October 6 at 6 p.m. in the Council Chambers.

Please refer to the weekly newsletter for updates regarding this possible Zoning Text Amendment.

- Councilmember Turner

---

### ***I Want To Hear From You!***

Please feel free to share any comments, suggestion, or feedback. If you have a concern in your community,

for a mill (removal of asphalt) and asphalt pavement overlay.

- **Scheduled to begin the week of August 22nd for approximately three weeks, crews are scheduled to prepare the area for the upcoming mill and overlay.** This preparation includes the removal of existing sidewalk ramps and installation of new sidewalk ramps for compliance with the Americans with Disabilities Act (ADA) and the lowering of utilities, such as manholes and valves. Lowering utilities is necessary so that the removal of asphalt can take place in an efficient manner without damaging these utilities.
- **Scheduled to begin in mid-September for approximately two weeks, crews will mill (remove) the top layer of asphalt and apply a new asphalt surface to this area.** Following this work, crews will raise utilities to make them flush with the new road surface and apply striping.

**Streets will remain open for travel during this work, but please expect delays.** In the event the schedule needs to be adjusted, the dates may change but the sequence will remain the same. Work is currently scheduled to take place Monday through Friday.

As work crosses side streets and driveways, there will be brief periods (15-20 minutes) wherein access will be restricted; however, crews will work to expedite this activity to the extent possible.

On-street parking will not be permitted during this activity; however, residential services (sanitation and postal) should not be effected.

**Glendale Seeks Input On Possible Zoning Ordinance Changes.** Glendale's Planning Division is holding a neighborhood meeting to discuss possible amendments to city zoning ordinances that would regulate the placement and location of donation drop boxes and revise current flagpole height regulations.

Other potential zoning amendments under discussion include changes to various city ordinances proposed by public members, a proposal allowing electronic message signs for churches, along with new definitions regarding medical marijuana facilities to comply with state law.

Gathering community feedback is the first step in the Zoning Text Amendment process. Residents are welcomed and encouraged to provide input.

***We need your input!***

**Glendale Planning Division Neighborhood Meeting**

**"Possible Zoning Text Amendments for Donation Drop Boxes, Flagpole Regulations, Various Ordinances/Regulations"**  
**6 p.m., Wednesday, Aug. 24, 2016**  
**City Council Chambers, 5850 W. Glendale Ave.**

The Zoning Text Amendments are being evaluated based on City Council direction

please let me know and I or my staff will do our best to assist you. I value your feedback.

## **Serve On A Glendale Board Or Commission**

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council.

For more information, please contact **Kriss Carneal** at **623-930-2814** or email her at [kcarneal@glendaleaz.com](mailto:kcarneal@glendaleaz.com).

**Take A Walk On The "Wild Side" With New Garden Guide.** The Glendale Water Services Department has developed Welcome Wildlife to your Garden, which is a booklet that makes it easy to transform a patio or yard into an inviting wildlife-friendly space. The booklet's message is: "If you build it (a habitat garden), they (wildlife) will come!" Creating a garden that attracts cheerful songbirds, colorful butterflies or energetic hummingbirds requires imagination as well as the knowledge of how to provide food, water, shelter and space for visitors to raise their offspring. Embracing the Sonoran Desert's unique ecology by selecting native plants is a way to save water while creating an attractive garden that's in harmony with the desert. This guide includes tips for sustainable landscape practices and is delightful to look at with beautiful plant and wildlife illustrations.

It was written with the assistance of local garden and wildlife gurus including experts from Audubon Arizona, the Association of Professional Landscape Designers and the Maricopa County Master Gardener program and was funded by the Arizona Game and Fish Department Heritage Fund Grant.

To receive this free Welcome Wildlife to your Garden guide:

**CURRENT: Olive Ave/59<sup>th</sup> Ave Waterline Improvements Project UPDATE**

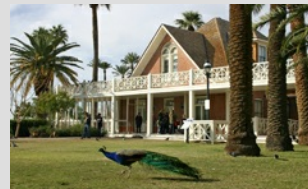

Thank you for your interest in the City of Glendale's waterline improvements project, currently taking place in the intersection of Olive Avenue and 59<sup>th</sup> Avenue. We'd like to provide an update on our progress.

**Crews are currently working** in the southbound lanes (west side) of 59<sup>th</sup> Avenue at the Olive Avenue intersection to install

Glen Lakes Golf Course

Sahuaro Ranch Park

Historic Sahuaro Ranch Park

Glendale Main Library

Glendale 11 YouTube Channel

waterline from approximately 600 feet south of Olive Avenue to 200 feet north of Olive Avenue.

**Next week, crews will continue this work in a northerly direction through the intersection.** As this work will be conducted in segments to maintain travel through the intersection, please be prepared for traffic control changes during the week to shift traffic away from the construction activity. **Tentatively scheduled for early the week of August 1<sup>st</sup>, crews will prepare for and pave back the areas where trenching occurred to install the waterline in 59<sup>th</sup> Avenue.**

**Tentatively scheduled to begin mid to late the week of August 1<sup>st</sup>, work will begin to install waterline in the eastbound lanes (SOUTH side) of Olive Avenue** approximately 200 feet east and west of 59<sup>th</sup> Avenue, which should take about a week to complete. This work will be followed by installation of a waterline in the westbound lanes (north side) of Olive Avenue.

Olive Avenue and 59<sup>th</sup> Avenue will remain open for travel during this work; however, traffic will be shifted away from the work zone and more than likely restricted to one lane in the direction work is taking place. Based on the work activity, it is expected that some or all left turns will not be permitted at the intersection or near the work zone to protect travelers and construction crews. To assist in managing traffic at the intersection, a law enforcement officer will be on-site from approximately 6 a.m. to 7 p.m. weekdays; however, traffic control will remain in place even during non-work hours to protect the work area and for the safety of travelers.

**You will be notified 48 hours in advance of any planned disruption to your water service.** Business and resident access will be maintained. This work is tentatively scheduled to be completed in 6-8 weeks. Thank you for your continued patience during this work!

**Please feel free to contact our project hotline at 602.532.6250 should you have questions or need information related to the project.**

---

#### **FUTURE: Olive and 59th Avenues Intersection Capacity Improvements Project**

The City of Glendale is planning a **Capacity Improvements Project** at the intersection of Olive and 59th avenues in Glendale. This city-funded project involves milling and replacing roadway pavement, adding two new bus bays along 59th Avenue, adding a new westbound to northbound right turn lane on Olive Avenue, adding a new eastbound to southbound right-turn lane on Olive Avenue, and associated improvements. The purpose of this project is to improve traffic operations and pedestrian use of the intersection.

Comments and questions may be provided to the city via email ([Olive59\\_Glendale@logansimpson.com](mailto:Olive59_Glendale@logansimpson.com)) or phone (480.967.1343).
